

AquaChek TruTest type Digital test strips, refill package (0180554)

AquaChek®
Pool & Spa Testing™

TECHNICAL SPECIFICATIONS

Type

Digital test strips, refill package

PRODUCT INFORMATION

Tests for free chlorine/bromine, pH and total alkalinity. Get the best of both worlds — the ease and accuracy of AquaChek® test strips, plus advanced digital technology. Just dip the test strip in your pool or spa, insert the reader, and get fast, accurate results in seconds. You'll enjoy: Fast, accurate results in 15 seconds with technology designed specifically for pool and spa analysis — and no more colour matching A large, easy-to-read LCD screen that displays test results

Other features of the TruTest Digital Test Strip Reader:

- Numerical test results and "low," "ok," or "high" indicators for: water-resistance
- Memory function - the reader stores the last 9 test results
- Simple power source: 2AA alkaline batteries (not included)
