## **PRODUCT INFORMATION**

The Rain Bird Valve box, type VBA is used in residential applications. The VBA rectangular valve boxes have good quality plastic that allows it to be delivered with pre-cut pipe inlets and outlets that will reduce installation time. The material of this valve boxes is also highly resistant to weight and use. Additionally, the cover comes with a lock system that can be opened and closed with the 2 in 1 lifting key and there are extensions available for both models.
