

Rain Bird Installation tool plastic type self-piercing emitters (7021564)

RAIN BIRD

TECHNICAL SPECIFICATIONS

Type	self-piercing emitters
------	------------------------

Material	plastic
----------	---------

PRODUCT INFORMATION

The Rain Bird installation tool, type self-piercing emitters is a fast and easy one-step support for drip irrigation applications.

It makes it easy to install Xeri-Bug emitters and 1/4" barbed insert fittings directly into 1/2" or 3/4" drip tubing.
