DAB Connection set type ESYTANK (7033376)

DAB
MAKING WATER EASY

bosta
bringing water to life

TECHNICAL SPECIFICATIONS

Type	Esytank

PRODUCT INFORMATION

The Esytank connection set includes a PVC sleeve with gasket (D.160mm L=150), two PVC aligning pipes (D.50mm x L=60) and a connecting ring nut for a 2-pump option. It allows the connection of several Esytanks or a connection between the Esytank and Esytank auxiliary cistern.
