TECHNICAL SPECIFICATIONS

Material	stainless steel
Suitable for	
WebshopURL	https://www.bosta.com/en-gb/profec-garden-square-column-stainless-steel-7036679

PRODUCT INFORMATION

The square column features a polished, stainless steel base plate measuring 25 x 25 cm. The plate can be easily attached with 4 x 10 mm holes, without the need for screws. The column itself is made of stainless steel and measures approximately 80 mm in width and 80cm in height. It has 1 x inlet connection for a 25mm PE pipe, and 1 x connection for an outlet tap with 3/4" AG.
