

Spherag Pressure sensor 1/2" stainless steel 30bar 3.3VDC (7038836)

SPHERAG

TECHNICAL SPECIFICATIONS

Material	stainless steel
----------	-----------------

Voltage	3.3VDC
---------	--------

Temperature range	-10°C - 50°C
-------------------	--------------

Cable length	2 m
--------------	-----

Pressure	30 bar
----------	--------

IP value	IP68
----------	------
