RAIN  BIRD

TECHNICAL SPECIFICATIONS

Colour	grey
Type	ADPT 150
Material	plastic
Connection	female thread x male ACME thread
Size	1 1/2"

PRODUCT INFORMATION

The Rain Bird Adaptor, type ADPT 150 is used in combination with the swing joint. Rain Birds Adapter 150 prevents leaking thanks to the double seal. You can now change from BSP thread to NPT and the other way around real easy.
