PRODUCT INFORMATION

The Rain Bird sprinkler base, type RD1800 is an ideal pop-up spray head designed for small to medium garden due to its durability and ease of installation with the additional SAM and Flow-Shield technology.
The RD1800 series is compatible with all the Rain Bird spray heads like the R-VAN, Rotary, HE-VAN, VAN, U-Series and MPR which grants these series an unlimited flexibility and options for operating in the gardens.
Additionally, the RD1800 series comes with the standard Seal-A-Matic (SAM), Pressure Regulating System (PRS) and Flow-Shield technologies, therefore been the most popular option for gardeners.
The Flow-Shield provides low flow vertical water jet when a nozzles has been broken or removed.
