| Riser height | 30 cm |

PRODUCT INFORMATION

The 5000 series is an ideal pop-up rotor for large gardens and professional applications that demand high versatility and durability.

The 5000 series suits perfect with the 5000 Rain Courtain nozzles and 5000 MPR nozzles. The 5000 series comes with many optional features such as the Plus (PL) Flow shutoff to reduce downtime on jobs by flushing rotors on the spot, PRS (R) pressure regulator to save water, SAM Seal-A-Matic check valve, Stainless Steel (SS) riser to prevent vandalism on public areas and a Purple cover (NP) for non-potable systems.

Pre-assembled with 3.0mm nozzle
