TECHNICAL SPECIFICATIONS

Colour	grey/blue/yellow
Material	PVC-U
Size	1200 x 1200 mm

PRODUCT INFORMATION

A set of transit bends consists of bends made from tubing with the following diameters:
3 x 50 mm R-500 (data/light green, electrical/red, telecom/grey)
1 x 50 mm R-750 (water/blue)
1 x 63 mm R-500 (gas/yellow)
The holes in the floor plate match the diameter of the transit bends.
