## PRODUCT INFORMATION

The Aquarite HC LS NG is a low salt chlorinator with a new design of the control box to disinfect, control and regulate your pool. It has retained all the features of the first generation, whilst several electronic improvements have now been included.

Features:

- All-in package includes pH probe, ORP probe and temperature sensor
- Salt concentration 1.5g/l
- Detachable 4.3" touch screen
- Fast connectors - plug and play
- Includes 50W transformer for Led lights
- Second input for liquid tank sensor
- Optional Wi-Fi module and free chlorine sensor
