

**Rain Bird Pressure Regulating  
RBY Filter glass-filled nylon  
3/4" female thread x male  
thread 10bar 75micron  
stainless steel black type ICZ-  
075TBOS-with solenoid valve  
(7021508)**

**RAIN BIRD**

# TECHNICAL SPECIFICATIONS

Colour	black
Material	glass-filled nylon
Material filter element	stainless steel
Filtration	75 micron
Filtration	200 mesh
Material housing	glass-filled nylon
Connection	female thread x male thread
Minimum inlet pressure	1.4 bar
Pressure	10 bar
Type	ICZ-075TBOS-with solenoid valve
Capacity	19 l/min
Size	3/4"

## PRODUCT INFORMATION

The Rain Bird Control Zone Kits type X CZ are a unique, easy-to-turn patented pressure assisted flow control mechanism (DVF models only).

The control kit includes a valve and a pressure regulating filter.
