

# Zwembadlamp ABS 12VAC UL- P warm white 100W (0181017)

# TECHNISCHE SPECIFICATIES

|               |                |
|---------------|----------------|
| Geschikt voor | polyesterbaden |
|---------------|----------------|

|       |      |
|-------|------|
| Model | UL-P |
|-------|------|

|              |           |
|--------------|-----------|
| Lichtsterkte | 480 Lumen |
|--------------|-----------|

|            |            |
|------------|------------|
| Kleur LEDs | warm white |
|------------|------------|

|               |          |
|---------------|----------|
| Max. Vermogen | 100 Watt |
|---------------|----------|

|          |       |
|----------|-------|
| Spanning | 12VAC |
|----------|-------|

|          |        |
|----------|--------|
| Buiten ø | 296 mm |
|----------|--------|

|                   |      |
|-------------------|------|
| Capaciteit (Watt) | 75 W |
|-------------------|------|
